Hey I, hey I, hey I,

Which way to go
Who I want don't know
Never been in this particular ..
One is my lover, the other is undercover
Said she didn't care that I'm .. my baby mother.

It's like I ..the wall they .. putting on me
I try to stop one more I wish there was two of me
You go around I know is wrong get down
I'm struggling just to find a way to work it out.

Chorus:

I got two girls sticking out my world,
What I'm gonna do?
one is a good girl, the other is a hook girl
Wish that I could keep the two.
I'm loving two hearts, loving two hearts, loving two
hearts
Loving two hearts, loving two hearts.

There's been so good better go I should,
if I had the chance to do it over I would
My life is like a movie, I'm something like ..
..be sayin baby throw it to me
Show many lives, I'm runnin out of stories
We kicked it too so many times ..make me a king
A key to her house my girl can never find out
I wish that I could find a way to work it out.

Chorus:

I got two girls sticking out my world,
What I'm gonna do?
one is a good girl, the other is a hook girl
Wish that I could keep the two.
I'm loving two hearts, loving two hearts, loving two
hearts
Loving two hearts, loving two hearts.

Thanks to garbo
