Angie, (I) saw you on TV today,
I'm proud you did it this way,
For you and humanity.

All right Angelina, now you're a hero right ?
Let me ask you Casella, will you ever come back,

And save me ? When will you think about me ?
Wich one made you forget me,
Brad, Billy maybe Johnny ?

You're still sexy (x3)
You still make 'em drool (x3)

Angie, listen what I say,
Nothing could ever graze
Your femininity.

Angie, I know, You remember me.
Wich one is better than me ?
Brad, Billy, maybe Johnny ?

You're still sexy (x3)
You still make 'em drool (x3)

All right Angelina, now you're a hero right ?
Let me ask you, Casella, will you ever, ever, come back
?

You still make them drool.
