Verse One

Why you play on me?

Wasn't I good enough for you? (wasn't good enough)

All those other girls you've been hittin'

Couldn't do like I do (dooh, dooh)

Gave you all my doe

When you needed it all the time

If you plan on leaving me again

Then give me a sign

chorus (sung by 702):

Beep me 911

Or call me on my cell phone

I'll call you back

And see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

Beep me 911

Or call me on my cell phone

I'll call you back

And see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

Verse Two

Why you cheatin' on me?

Can you tell me what I've done

Thought you was the one

But you just are a hit and run (heh yeah)

Gave up clubs and parties

I put them aside (I stopped going to all the parties)

Left me in the dark with no kind of sign

(Why didn't you give me a sign)

chrous (sung by 702):

Beep me 911

Or call me on my cell phone

I'll call you back

And see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

Beep me 911

Or call me on my cell phone

I'll call you back

And see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

702 (Meelah):

All my princes

I can do better than you (say what say what)

Maybe they was right

Cause I feel like a fool (fool fool)

But I can't let you go

Until you tell me why

Tell me why you left me without

A God damn sign

chorus (sung by 702):

Beep me 911

Or call me on my cell phone

I'll call you back

And see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

Beep me 911

Or call me on my cell phone

I'll call you back

And see what you gon' tell me

You don't wanna date

No if's ands or waits

It's over babe

Timberland:

Magoo, Magoo

Magoo:

Type of nigga that made built to last

Look homegirl I pump like gas wind

Get ya friend and ya girl and them

My sex drive workout like a junk camp

Was the girl that I used to hit, you the girl that I got to
quit

See the kitty kit, got it golden like a light

In the night where the freak come out with the dope
hype

No diggity, gon' tip you out

No doubt when I first got down, make the girl shout

Look out, make ya laugh

Dip and dive, scandalize

Shoot me sugar, get on this

Now we talkin' 12 hits, I'm leaving you without a will

But I still got a kiss, what you think

I'm hem pack, girls get ya mind checked

Check the time, recelet

I just gave you disrespect

Timberland:

Ahh Like that? Like that?

Beep me 911 baby

uh uh uh uh uh uh uh uh uh uh

Say what? Say what?

Misdemeanor, 702
