Why do you say so long?
It took so long for you to show
You care about tomorrow
What it brings and what you mean to me

If you'll stay for long
Just enough for me to show you
What we have and what we had
And why we are lying here right now

If you keep saying goodnight
You'll stay and hold my hand
And if you keep saying goodnight
You'll never want this to end

If you keep saying goodnight
(You don't need to say you're sorry)
You'll stay and hold my hand
(Hey babe I'll love you just the same)
And if you keep saying goodnight
(You don't need to say you're sorry)
You'll never want this to end
(Hey babe I'll love you just the same!)

Let's go and give in to
Everything we thought we never had
Close your eyes and breathe in
So deep that it would hurt so bad
If you ever let go, don't ever let go

Its not the way you looked so cool in drama
(Bah bah bada bah bah bada)
Or the way you always avoided me
(The way you always avoided me!)
You should know how I work by now
(Bah bah bada bah bah bada)
Your arrogance is sexy

(Your arrogance is sexy!)

If you keep saying goodnight
You'll stay and hold my hand

And if you keep saying goodnight
You'll never want this to end

If you keep saying goodnight
(You don't need to say you're sorry)
You'll stay and hold my hand
(Hey babe I'll love you just the same)
And if you keep saying goodnight
(You don't need to say you're sorry)
You'll never want this to end
(Hey babe I'll love you just the same!)

Let's go and give in to
Everything we thought we never had
Close your eyes and breathe in
So deep that it would hurt so bad
If you ever let go, don't ever let go

Don't let go!
Don't let go!
Don't let go!
Don't let go!

Let's go and give in to
Everything we thought we never had
Close your eyes and breathe in
So deep that it would hurt so bad
If you ever let go, don't ever let go

Let's go and give in to
Everything we thought we never had
Close your eyes and breathe in
So deep that it would hurt so bad
If you ever let go, don't ever let go
