Ooh whoa ooh ooh

I've got somebody waiting at home  
Someone who gives me love like I've never known  
So won't you tell me what am I doing?  
Chasing Shadows in some dark hotel room  
I won't lie and say I'm proud of myself, but lately I've  
been acting like somebody  
else  
I know that I should walk out of that door still I hate to  
leave without I've came here  
for oh whoa oh

And I ask myself ( I ask myself)  
what's a nice girl( what's a nice girl like you) like you  
doing in a place like this (doing)  
Stealing A kiss (stealing a kiss)  
and I ask myself (oh whoa)  
what's a nice girl like you (you)  
doing in a place like this  
when I know I never should have been here

Oh whoa

Is it the passion? or the tender?  
what does a stranger have oh that I hunger for  
Oh if I dig deeper (deeper)  
will I find it? (find it)  
The strength to stand up & leave this behind  
Never thought that this could happen to me  
I'm doing this I thought that I would believe yeah yeah  
The time,the place this I know my heart  
another thing I know is that  
this is more

And I ask myself (myself)  
what's a nice girl( what's a nice girl like you) like you  
doing in a place like this (doing)  
Stealing A kiss (stealing a kiss)  
and I ask myself (I ask myself,yeah)  
what's a nice girl like you (yeah)

doing in a place like this  
when I know I never should have been here

Never thought this would happen to me  
I'm doing things I never would believe yeah yeah (I  
would believe)  
The time,the place this I know my heart  
another thing I know is that  
this is more

And I ask myself (oh I ask myself)  
what's a nice girl( what's a nice girl ) like you  
doing in a place like this (doing in a place like this)  
Stealing A kiss (oh whoa)  
and I ask myself (oh whoa,whoa)  
what's a nice girl like you (oh I ask myself)  
doing in a place like this (yeah yeah)  
when I know I never should have been here (o oh my o  
whoa)

And I ask myself  
oh oh I oh whoa  
Doing in a place like this  
whoa whoa  
and I ask myself  
ooh whoa yeah  
doing in a place like this (doing)  
when I know I never should have been here (when I  
know I never)

And I ask myself ( I ask I ask myself)  
what's a nice girl like you  
doing in a place like this (what am I doing,what am I  
doing)  
Stealing A kiss  
and I ask myself (I ask myself)  
what's a nice girl like you (oh whoa)  
doing in a place like this  
when I know I never should have been here (ohh)

And I ask myself  
what's a nice girl like you  
doing in a place like this (doing in a place like this)  
Stealing A kiss (doing in a place like this)  
and I ask myself
