Oh, I beg  
I plead  
Take this heart and let it bleed  
Not for what I want  
But what I need  
Show me how to live  
And teach me how to breathe

Tell me why do I  
Hold on tonight  
If I'm living a lie  
Should I hide?  
Or should I let a light shine  
Shine out, (come on)  
From the inside

Get a hold of yourself  
You're living like an orphan  
Is there no one else  
For you to hold on to tonight  
And I don't know why you looked to me  
For these answers  
'Cause I have none

Take this pride  
Before it eats away everything I hold inside  
Oh, I've tried  
Just to fight the fear away

But I'm still so terrified

Tell me why do I  
Hold on tonight  
If I'm living a lie  
Should I hide?  
Or should I let a light shine  
Shine out, (come on)  
From the inside

Get a hold of yourself  
You're living like an orphan  
Is there no one else

For you to hold on to tonight  
And I don't know why you looked to me  
For these answers  
'Cause I have none

So, get a hold of yourself  
Oh, you're living like an orphan  
Is there no one else  
For you to hold on to tonight  
And I don't know why you looked to me  
For these answers  
'Cause I have none
