Home ain't walls it's a state of mind,
as long as you know that you'll be doin' just fine.
It all gets blow away by the sands of time,
So don't you worry no more cause the sun'll still shine.

The house is gone, the dog is dead,
my truck ain't mine and my job's on the line.
I lost all I own to a smooth talkin' con,
I got stabbed in the back by my own lovin' Ma...

But that's alright, that's okay...other than that its a
beautiful day.
Yea that's alright, that's okay...other than that its a
beautiful day.

It ain't no bother oh, losin' what I owned,
I didn't have it when I came, I can't take it when I go.
As hard as they tried they couldn't take what I need,
my wife's still at my side and my feet are under me.

The house is gone, the dog is dead,
my truck ain't mine and my job's on the line.
I lost all I own to a smooth talkin' con,
I got stabbed in the back by my own lovin' Ma...

But that's alright, that's okay...other than that its a
beautiful day.
Yea that's alright, that's okay...other than that its a
beautiful day.

Times are a changin' but I aint worried none,
I got what I need, this aint my last run.
I'm just startin' new, startin' fresh, startin' clean,
The engines are turnin' and I'm buildin' up steam.

The house is gone, the dog is dead,
my truck ain't mine and my job's on the line.
I lost all I own to a smooth talkin' con,
I got stabbed in the back by my own lovin' Ma...

But that's alright, that's okay...other than that its a

beautiful day.

Yea that's alright, that's okay...other than that its a beautiful day.

I didn't have it when I came, I can't take it when I go...

And that's alright, that's okay...me-oh-my its a beautiful day.

Me-oh-my it's a beautiful day.
