I met a darlin' girl and now you're always on my mind,
If I combed the Earth no sweeter smile would I find.
Now I ain't tryin' to put a ring on your finger, I've got no
contracts to sign.
And you don't have to tell me that forever you'll be
mine.

But, those winter's here are cold and that wind can be
lonely,
Sometimes it's nice to have someone that can make
you feel at ease.
If you ever need some lovin' I can guarantee,
You can always climb on in and cozy up to me.

I know you've got your dreams and places you want to
see,
But don't go thinking that that's so different from little
ole me.
How 'bout you drop your guard, we'll just enjoy our
company.
'Cause I'd sure like to spend some time with you in
Albany.

Those winter's here are cold and that wind can be
lonely,
Sometimes it's nice to have someone that can make
you feel at ease.
If you ever need some lovin' I can guarantee,
You can always climb on in and cozy up to me.

You don't have to love me forever, and we don't always
have to be together...

But those winter's here are so cold and that wind can
be lonely,
Sometimes it's nice just to hold someone that can
make you feel at ease.
If you ever need some lovin' I can guarantee,
You can always climb on in and cozy up to me.

Oh, if you ever need some love girl, I can guarantee,

You can always climb on in and cozy up to me.

Well darlin' how 'bout you climb on in and cozy up next
to me?
