I told some folks a joke and they took it straight to heart.  
I went to warm the engine and locked the keys inside my car.  
I stood up for a girl and got thrown out of the bar.  
Havin' good intentions is makin' my life hard.

I'm good intentioned but that don't get me far,  
It won't buy me a meal, no it's sooner see me starve.  
It didn't keep my baby around, no she left me in the dark.  
I'm good intentioned but that don't get me far.

I picked up a drunken friend and got a ticket from the law,  
I invested in the padding of the wallet of a con.  
I helped another friend with cash and now I'm overdrawn,  
I just have to smile as I see it all go wrong.

I'm good intentioned but that don't get me far,  
It won't buy me a meal, no it's sooner see me starve.  
It didn't keep my baby around, no she left me in the dark.  
I'm good intentioned but that don't get me far.

I gave a waggin' dog a pet, his teeth sank to the bone.  
I told a gal I'd call but lost the number to her phone.  
Well now I'm sittin' here drinkin' beer so all alone,  
I think I'll pay my tab and just get myself on home.

I'm good intentioned but that don't get me far,  
It won't buy me a meal, no it's sooner see me starve.  
It didn't keep my baby around, no she left me in the dark.  
I'm good intentioned but that don't get me far.

Iâm good intentioned but that donâ€™t get me far,  
It wonâ€™t buy me a meal, no itâ€™d sooner see me  
starve.

It didnâ€™t keep my baby â€˜round, no she left me in  
the dark.

Iâm good intentioned but that donâ€™t get me far.

Iâm good intentioned but that donâ€™t get me far.
