I've spent many nights alone, sittin' in the dark,
with a bottle of liquor to warm my searching heart.
For years I've been a-driftin' like the lonely wind that
blows,
I'm on a road with no directions to a place that I don't
know.

Oh well, my gas tank is full but my wallet's runnin' dry,
I put my truck in gear and neglected my goodbyes.
Well I don't know where I'm goin' and I really don't
care,
the only thing I know, I'm gonna get there.

Some girls have come around and left my poor heart
broken,
sharks have smelt my blood and my money's been
stolen.
I've been taken for somen rides, it's from these I learn
and grow.
It's just another piece of the puzzle that I now see and
know.

Oh well, my gas tank is full but my wallet's runnin' dry,
I put my truck in gear and neglected my goodbyes.
Well I don't know where I'm goin' and I really don't
care,
the only thing I know, I'm gonna get there.

I've gone out a-searchin' for the great unknown,
and I hope you all will understand that I had to go
alone.
I left my friends and family and I ventured far from
home,
I'm just searching for the answers and I have to find
them on my own.

Oh well, my gas tank is full but my wallet's runnin' dry,
I put my truck in gear and neglected my goodbyes.
Well I don't know where I'm goin' and I really don't
care,
the only thing I know, I'm gonna get there.
