You thought I had gone that I packed and ran away.
Little did you know how much of me stayed.
Everything that I did and all I went through,
The purpose of it all was to get back to you.

When I came back to you I knew right away.
That some other man had taken my place.
It hit like a train I didn't know what to do.
It never crossed my mind that I might lose you.

Now it's time to let you go it's time to leave you be.
It's not fair to you and it ain't fair to me.
He's made you happy that I can see.
Now it's time that I set you free.

Well, I'm pickin' up the wreckage tryin' to get on two feet.
I'm slowly gettin' better but my knees are still weak.
In time I'll be fine I know this is true.
But as long as I live darlin', I'll still love you.

Now it's time to let you go it's time to leave you be.
It's not fair to you and it ain't fair to me.
He's made you happy that I can see.
Now it's time that I set you free.

Now it's time that I set you free.
