See, I've been thinking it over

It's all just a little too much

You see I've got this four leaf clover

It's gotta bring a little luck

Yeah, uh huh

Yeah, uh huh

So I let go of all of the big deals

I let go of the bitter dream

You see the girl in the pretty white picture

Well it's never what it really seems

Yeah, uh huh

Yeah, uh huh

My mind is always racing

And my body's on overload

You've got my heart in the middle of a feeling

I've got no place to go

Yeah, uh huh

You see I've been thinking it over

It's all just a little too much

You see I've got a four leaf clover

It's gotta bring a little luck

I'm running but I've got nowhere to be

But I'm all right

I'm running, it's got the best of me

But it's all right

You see I've been thinking it over

It's all just a little too much

You see I've got a four leaf clover

It's gotta bring a little luck
