One thing I never can get
Can't put my finger on it
Always forgetting my lines
One thing I never can get
Displacing logic in the
memory banks of my mind
I find myself in the strangest places
My head's got a mind,
said a mind of its own
I find myself in the strangest places
I wake up I've been sleeping
in somebody's shoes
This is the last of all of my songs
Got to get, to get you in the
back of the room
You're one things I never can get
Can't put my finger on it
Always forgetting my lines
I find myself in the strangest places
My head's got a mind,
said a mind of its own

I find myself in the strangest places

I wake up I've been sleeping

in somebody's shoes

I find myself in the strangest places

My head's got a mind,

said a mind of its own

I find myself in the strangest places

I wake up I've been sleeping

in somebody's shoes
