"Fold"

You're legendary, born and reborn
Living in the future, indecent we are
You're an endless story, written on my walls
Filling up my senses, once you're done here, I'm
gone

Move in then walk away, I'll chew on my mistakes
Keep on folding, get down on your knees
Streaming most of the time, you're here to please a
mind
Keep on folding, get down on your knees

You're imaginary, bold and retold
You've made an oath to vanquish my freedom, my all
So you built a story to keep me hanging on
Dormant are my feelings, blisters on my bones

Move in then walk away, I'll chew on my mistakes
Keep on folding, get down on your knees
Streaming most of the time, you're here to please a
mind
Keep on folding, get down on your knees

Keep on folding...
