Drive now  
Head out and face it  
Iâ€™m sure youâ€™ll make it out of this place  
Out of this town  
Time is overrated, reach out just take it, youâ€™ve got to  
believe it  
Just try and donâ€™t mind, your will is fine, hit the clutch  
and you will  
Find  
Itâ€™s worthwhile, chills your spine, lead the way, you'll  
make it

Take me away  
To this place I live without  
Take me away  
I need someone to bail me out

Now you see it coming  
Your heart starts pumping, youâ€™re getting too close to  
your dream  
Itâ€™s so amazing, the ride is worth taking, youâ€™ve  
waited too long  
Now you're here

Take me away  
To this place I live without  
Take me away  
I need someone to bail me out

My mother said sheâ€™s on my side  
Iâ€™ve been living astray  
Iâ€™ll take this walk, the other line  
She thought this living will fade out, run me over, get  
me nowhere  
Still, I can see

Take me away  
To this place I live without  
Take me away  
I need someone to bail me out
