They say I'm over my head, my back's against the wall  
I've got some attitude and headin' for a fall  
The cover shot's too skinny and somethin's just not  
right  
It's those nasty things they write that make me lose my  
appetite

I'm not sure how they can be so mean  
Why does everyone wanna tear down my dream  
I don't really care cuz look at all I got  
Love me, or love-me-not

Chorus:

They say I'm crazy, but I'm not  
And I'm gonna pay, I won't get caught  
I'm gonna get hurt, but not a lot  
Shut up and let me play my stupid games

They're tryin to take my picture playin' hide and seek  
again  
I flash my perfect smile, is it real or just pretend  
They say that I'm a party girl and I should join AA  
I like to keep 'em guessing, like in charades

C'mon everybody let's have some fun  
We're gonna ride this rocket 'til we see the sun  
I'm the kinda girl who doesn't know when to stop  
I just keep goin' 'til I drop

Repeat Chorus

You haven't seen nothin' yet  
Just watch what I do next  
You haven't seen nothin' yet  
Just watch what I do next  
I'm one girl you won't forget

Boys keep hangin' round, they wanna see my tattoos  
I'll admit some hot girls kinda like me too  
The press is always askin' who I'm sleeping with

But I just flip 'em off then I blow 'em a big kiss

I've gotta lotta boyfriends, they just get in the way  
We have our happy endings, then I send them away  
Sometimes I'm a sweetheart, sometimes I'm a snot  
It feels so good to be on top

Repeat Chorus
