Merry Fucking Christmas - Mr Garrison

I heard there is no Christmas  
In the silly Middle East  
No trees, no snow, so Santa Claus,  
They have different religious beliefs  
They believe in Muhammed, and not in our holiday,  
And so every December I go to the Middle East and say

Hey there Mr Muslim, Merry Fucking Christmas  
Put down that book, the Koran,  
And here's some holiday wishes.  
In case you haven't noticed it's Jesus' birthday  
So get off your heathen Muslim ass and fucking  
celebrate

There is no holiday season in India, I've heard  
They don't hang up their stockings, and that is just  
absurd  
They've never read a Christmas story,  
They don't know what Rudolph is about.  
And that is why in December I'll go to India and shout

Hey there Mr Hinduist, Merry Fucking Christmas  
Drink Egg Nog and eat some Beef and pass it to the  
Missus  
In case you haven't noticed it's Jesus' birthday  
So get off your heathen Hindu ass and fucking  
celebrate

Now I heard that in Japan everyone just lives in sin  
They pray to several Gods, and put needles in their  
skin  
On December 25th, all they do is eat a cake  
And that is why I go to Japan, and walk around and say

Hey there Mr Shintoist, Merry Fucking Christmas  
God is going to kick your ass you infidelic Pagan scum  
In case you haven't noticed, there's festive things to do  
So lets all rejoice for Jesus, Merry Fucking Christmas to  
you

On Christmas day,  
I travel 'round the world and say  
To all you Christians, Buddhists, and all you Atheists  
too  
Merry Fucking Christmas to you

Thank you Mr Hat
