[JD] Wassup!!

[Verse - Jermaine Dupri]

I don't why but I keep going back (back)  
Knowing damn well that I shouldn't be doing that  
Cause I ain't doing nothing but making it worse for me  
And I ain't doing nothing but making her thirst for me  
But this thing here, I can't shake man  
Hard motherfucking habit to break man  
We fuss, we fight, then I spend the night  
I know it ain't right.. that's what it is!

[Chorus - N2U]

Baby mama love!!  
See I'll be damned  
If I let my son call another man daddy  
And if you feel like I feel that's  
Baby mama love!!  
I don't wanna be with her  
But I just can't stand to see her with nobody else  
I know it's bad, but I can't help myself  
Baby mama love!!  
See I'll be damned  
If I let my son call another man daddy  
And if you feel like I feel that's  
Baby mama love!!  
I don't wanna be with her  
But I just can't stand to see her with nobody else  
I know it's bad, but I can't help myself  
Baby mama love!!

[Verse - N2U]

Went to the crib, did what we did till about six in the  
morning  
Wasn't thinking bout having no kids  
Just thinking bout getting it on and  
On and on, and on and on and onnnn  
That's how I got where I'm at right now  
Let me take it back right now  
She was there for me, everytime I needed  
Even when I got a little lonely

Wasn't even like she was my girl  
She was more like my little homie  
It's deeper deeper than you'll ever know!  
Sometimes you lose control  
The hardest thing to get up out ya system is that

[Chorus]

[Verse - N2U]

Oh Lord it's getting crucial!  
And being truthful I don't understand it  
I just won't have it!  
Her out wit another nigga in the bar  
My son wit another nigga in the car  
Girl you ain't gon play me  
Like I'm just gon be tolerating this man  
Playing dad, see I pay the bills  
I'll tap the phone, I catch ya here again  
Homie we gon have a problem  
Let it be known, I might not stay here  
But this is my home, leave it alone!  
Cause this child is my baby  
No if, and, but's or maybe's  
Girl you gon drive me crazy!  
With this..

[Chorus]

[Electric guitar solo]

[Chorus]
