Nas]

Uh, it's real, it's real, it's real

Uh, uh, owe me back, uh shorty

Shorty, what up, huh?

Come on

1 - [Ginuwine]

Shorty, say what's your price

Just to back it up

You can hold my ice

Now let's say you owe me something

[Nas]

Yeah, owe me back like you owe your tax

Owe me back like forty acres to Blacks

Pay me back when you shake it like that girl

2 - [Ginuwine]

Shorty, say what's your price

Just to back it up

You can hold my ice

Now let's say you owe, owe, owe

[Nas]

Yeah owe me back like you owe your rent

Owe me back like its money I spent
Pay me back when you shake it again
The don, all the time, with all the shine
You small time, I ball with mine
Links, minks, Bentley, it's all with mine
My jams bump out to the borderline
UK hot with it, blew spots with it
Every continent love when I spit it
Corners to blocks, even the cops feel it
Brothas on lockdown on their cock feel it
It's real in the field the Last Mohegan
Who survived in the streets and did something decent
Now I got plans to buy the whole hood
Legit' now, I ain't gotta lie to no judge
I make hits now, money I flip now
Hood fella every honey wanna kiss now
I lit up my neck, pinkie, and wrist now
So girls everywhere, this is how we get down
Repeat 1
3 - [Ginuwine]
Shorty, say what's your price
Just to back it up
You can hold my ice
Now let's say you owe, owe, owe
[Nas]

Yeah owe me back like you owe your rent

Owe me back like its money I lent

Pay me back when you shake it again

[Nas]

Play to win, girls in the club moving

I get 'em real hot, my songs seduce 'em

I flow, I'm so mysterious

Nas, and Nasty's the alias

Everything platinum I glow

Cadillac trucks pulling up to the do'

On top out the car, lounge at the bar

We spent a thou', we wild, look at how rowdy we are

Feel like a million dollars, feel me holler

To the max with the Benz and chrome wheeled Impalas

Thugs and renta's, to the playas and ballers

Sexy mamas, fly ladies lookin' proper

Look good enough to be taken shoppin'

Earrings, bracelets, now you rocking

Your body's so nice that I give you this option

Let you wear my big chain if we get it popping

Repeat 1

Repeat 2

[Ginuwine]

I put the shackles on your feet (You owe me)

I think you owe me some (You owe me)

The shackles on your feet (You owe Nas)

I think you owe me some (You owe Ginuwine)

(You owe Timbaland, you owe me)

[Nas]

Lock you down baby, you know what you owe me

Mack like Goldie, it's the same story

Let you hold something, you spending it right

Know where you gon' be by the end of the night

Make it bounce, shake it, move it around

Wiggle it a little bit, throw it to the south

Fantasizing me inside and you riding

Throw it like a stallion, you wearin' my medallion

[Ginuwine]

Shorty, say what's your price

Just to back it up

You can hold my ice

Now let's say you owe me something

(You owe me something, oh yeah)

I said shorty, say what's your price

(You owe Nas)

Just to back it up

(You owe Ginuwine)

You can hold my ice

(You owe Timbaland)

Now let's say you owe

You owe us something, baby

Oh, oh, oh
