[MC Magic]

Oooh

Magic (NB Ridaz)

Hookin' up with Dyablo

For that mamacita

What's going on, pretty girl (To all those pretty girls,
pretty girls)

Hey (This one's for you)

I wanna talk to you, girl, come here (This one's for you)

Let me tell you somethin' (This one's for you)

Check this out

Chorus: MC Magic

Something about you, baby (Something about, you)

Drives, me, crazy

Something about this pretty girl

Blows, my, mind (Blows my mind)

Something about you, baby

Drives, me, crazy

Something about this pretty girl

Blows, my, mind

[Verse 1: MC Magic]

Si tu supieras lo que siento

Cada vez

Que me pongo a pensar en todos los momentos

All the good times we've had, me and you, you and I

Hot summer nights, making love in July

The only girl that didn't give it on the first night

Una mujer incomparable, I'm a love her life

Me captivaste with your ways and all the things you do

My pretty girl

I gotta make it work with you

Tell the world, tell your girls, and your family

Con esto a mio, te prometo, you're my everything

Cause nobody's ever made me feel the way you do

I just dropped you off

Already miss you

Chica bonita, sonrisa, sincera

I wanna be with you hasta que me muerda (That's
right)

Let's make a pact
And always be together
With you by my side, girl, I'm down for whatever

Repeat Chorus

[Verse 2: Dyablo]

Solo una
Es en la vida, el amor, te toca el alma
Un sentimiento limpo, que hasta el dolor, te calma
Siempre estuvistes conmigo, en la buenas
Y las malas conmigo
Solo Dios y tu son mi testigo
Inorvidables momentos, que juntos pasamos
Y los problemas mas fuertes, juntos areglamos
Incomparable mujer
A ti yo pertenecer
Contigo, yo fallecer
Juntos como un solo ser
Una preciosa mujer, que siempre esta a mi lado
Que en el dolor y las tristesas, me has acompanado
Quieres mi vida, te le entrego, si es lo necesario
Pues, en mi mente y corazon, te tengo, yo del diario
Te has incrustado tu en mi corazon (Mi corazon)
Como un implante, eres mi salvacion (Mi salvacion)
Eres mi todo, mi razon de ser
De la creacion, la perfeccion, una bella mujer

Repeat Chorus

[Verse 3: Lil Rob]

I know I was the kind of man you wanted, when I met ya
You asked me to sign your tetas and feel your piernas,
showed me your lengua
Estas, why not, don't let nobody tell you different
You're into it, don't like to waste time, love to get
intimate
Predicaments, I've got myself into a few of them
Stick and splits, that's what I do with 'em, and then I
was through with them
You think I want that type of girl
Walking by my side
One last wish, it was parole'in' at homeboy's ride with
Homeboy
Getting high
I don't think so
I need a good woman who can cook
And a girl so fine, even other girls take second looks
And a girl who makes me miss her
I just can't wait to kiss her
When I get home, she whispers, in my ear the things I

wanna hear
Likes to have a good time and
Try new things
That keep a smile on her face, no matter what life
brings
I'll make her happy
She'll make me happy
If she can
You think you can, then baby doll, I, wanna be your man

Repeat Chorus
