[JIN]

Im so sick
It happened so quick
Lookin at old flicks
Tryin to figure out where we went wrong
The radio turns on
Had some song
Waitin to hear both of our favorite parts
Each word is eating at my heart
A lot of you
Aint gotta boo
Tryna move on
Ne-Yo tell them the first thing they gotta do

Gotta change my answering machine[uh-huh] Now that
im alone
Cuz right now it says that we
Cant come to the phone
And I know it makes no sence
Cuz you walked out the door
But its the only way i hear your voice anymore
(its ridiculous)
Its been months
And for some reason i just
(cant get over us)
And im stronger then this
(enough is enough)
No more walkin round
With my head down
Im so over being blue
Cryin over you

And im so sick of love songs
So tired of tears[im so sick]
So done with wishing you were still here
Said im so sick of love songs so sad and slow[im so
sick]
So why cant i turn off the radio?

[verse 2]

Gotta fix that calender i have

Thats marked July 15th
Because since theres no more you
Theres no more anniversary[aint no more]
Im so fed up with my thoughts of you
And your memory
And how every song reminds me
Of what used to be

Thats the reason im so sick of love songs
So tired of tears[im so sick]
So done with wishing you were still here
Said im so sick of love songs so sad and slow[im so sick]
So why cant i turn off the radio?

(Leave me alone)[lets go]
Leave me alone [tired of dealin with the frustration]
(Stupid love songs)[same song even when i change the station]
Dont make me think about her smile[she's crafty]
Or having my first child[your boy jin]
Let it go[uh uh uh time to let go, if you wit me turn off your radio]
Turning off the radio

Cuz im so sick of love songs
So tired of tears[im so sick]
So done with wishing she was still here
Said im so sick of love songs so sad and slow[im so sick]
So why cant i turn off the radio?
(why cant i turn off the radio?)

Said im so sick of love songs
So tired of tears[im so sick]
So done with wishing she was still here
Said im so sick of love songs so sad and slow[im so sick]
So why cant i turn off the radio?
(why cant i turn off the radio?)

And im so sick of love songs[uh huh]
So tired of tears[yea, ne-yo]
So done with wishin[jin] you were still here
Said im so sick of love songs[we so sick] so sad and slow[we so sick]
Why cant i turn off the radio?
(why cant i turn off the radio?)
Why cant i turn off the radio?
