ma, que linda ma

Let's go!

[Ne-Yo]

The room is spinnin'

And I can't breathe

And ooh my head is just achin'

Hands won't stop sweatin'

And my knees girl they just wont stop shakin'

My stomach is turnin' flips

And I feel sick

Yea see (yeah)

And this is all just at the thought of you leavin' me

[Hook]

(baby I'm a fool)

Am I stupid?

(baby I'm a fiend)

Addicted to it

(baby I don't know)

But your my get right when it's rong

(baby it's your smile)

Makes me happy

(baby it's your touch)

So relaxing

(whatever it is)

Without it i just can't go on

And I want you to know that

[Chorus]

I just can't help myself

I just can't help myself

I don't need nothin' else

All I need is you

Why don't you just

Stay with me

Why don't you just

Stay with me

Why don't you just

Stay with me
Why don't you just
Stay with me

Never gonna be without cha'
See myself with only you
I finally found my inspiration
Here your voice sing
(baby woohhoo00oo)
Anything I gotcha'
Watcha' want indeed I'll be
Cuz you are my everything
So baby please just
Stay with me

[Hook]
(baby I'm a fool)
Am I stupid?
(baby I'm a fiend)
Addicted to it
(baby I don't know)
But your my get right when it's wrong
(baby it's your smile)
Makes me happy
(baby it's your touch)
So relaxing
(whatever it is)
Without you I just can't go on

[Chorus]
I just can't help myself
I just can't help myself
I don't need nothin' else
All I need is you
Why don't you just
Stay with me
Why don't you just
Stay with me
Why don't you just
Stay with me
Why don't you just
Stay with me

[Peddi]

NOW

Live from the 215

My babygirl ride right on my left handside

Mercedes rug slide through the palm of a dime

The brother known best

Its the prince

And you my princess

Let's get it on

Mami que-linda

Look at cha' beautiful smile

I don't wanna leave ya

Why don't cha stay for a while

I love to love ya

Like heavy bum-bum-tiddly-dee

Take off ya sneaks

And leme tickle ya feet

Peddi a libra

You think that Peddi a freak

Oooh you a leo

I heard they rather unique

Your sucha diva

Your sucha pleasure to meet

Your 1 of ur stature

1 in a million

Nothin' else matters

[Ne-yo]

I love to turn you on

Your like my favorite song

Without you would be wrong

(would be wrong)

Forever and always

Did you know what you do for me?

Love you you're my melody

Wearin' my heart on my sleeve

(music)

You're all I need

[Chorus]

I just can't help myself

I just can't help myself

I don't need nothin' else

All I need is you

Why don't you just

Stay with me

Why don't you just

Stay with me

Why don't you just

Stay with me

Why don't you just

Stay with me
