Baby

Im here for you

You can tell me all your secrets

Lets stay together

forever

Tell me a secret now

Open up your heart

Give me everything you got

and make my dreams come true

Tell me a secret

Open up your heart

Tell me more and more each day

Show me the way

show me the way

I wanna to be with you

Till the end of time

Take me everywhere you go

and make my dreams come true

tell me a secret

open up your heart

tell me more and more each day

show me the way

show me the way

show me the way
