e-Yo:
sighs
maybe this decision was a mistake
you probably don't care what i have to say
but it's been heavy on my mind for months now
guess i'm trying to clear some mental space
i would love to talk to you in person
but i understand why that can't be
i'll leave you alone for good
i promise
if you answer this one question for me

(chorus)
i just wonder
do you ever
think of me
anymore?
do you?

mary j blige:
found it lying bare in front of my door (door)
pick it up before my man could see (see)
not that i was trying to hide it from him (him)
calling me just trying to keep the peace
knew it was from before i opened it
knew what it would say before i read
torn the letter up and threw it all away
with this question burning in my head

(repeat chorus)
ne yo: i know what we had was dead ago
mary: too many times i made you cry
ne yo: and i don't mean interrupt your life
together: i just wonder do i ever cross your mind
ohhhh

(repeat chorus)
do you? do you? do you?
