[Chorus: Nelly]

Stop your cryin' (oh)

You know that I'm tired of your lyin' (hey)

Do you know that you do this all the time, yeah

You always say you're sorry so

I cut you slack I take you back that's all I'm ever doin'
with you

[Nelly] + (Avery Storm)

(Tired) Little mama I hope that you can't stand it

That I gotta leave

That I gotta go bye bye bye see that door I'm lookin' at?

See I don't need to be lookin' down

I believe I'm the one

I believe till my day is done, for me it's someone yeah

(I'm so tired) Hey we go through it everyday

Said I'm so (tired) and I know it's going to be another
shitty day

See I don't need to be livin' down

Like it pays to be happy

Same song, comin' with a dance song

Never different always the same

[Chorus]

[Nelly] + (Avery Storm)

(Tired) Cause' I got my back ass up in a truck

You don't got to worry about me

comin' round' here callin' your ass to see what's up

Cause' I don't need you anymore

I'm so tired of your games

See I'm happy to be leavin'

But I'm glad to see I came

I'm takin' these keys to the door

and I'm comin' back to get every damn thing I own I
own

You gotta move it in slow mo'

Think I'm comin' baby girl, no no no no

I'm so tired of your games

See I thought you wanted to be happy

You need a son you don't need a man

You just, you just..

[Chorus] - 2X

[Avery Storm]

I can't take no more, can't take no more

Can't take no more of this breakdown

It's all safe for me, better step down

Everything will be alright

Went for my day dream, then we turned into strangers

No reason for me to stay here

Nothing left remains here

[Chorus] - 2X

(And I'm taking my shit and leaving here)
