(Verse 1 - Wreck iT)

Ay... Hey pretty lady, what's your name? I drive em' all crazy, they love the game. I ain't gotta say much, they all the same. We both got digits so we must exchange. Ay, I know you got a guy but he's just a lame. And not to brag or anything but I'm bout to be the man. I'm diggin' your style and I'm diggin' your frame. I picture us chillin' sippin' champagne. Unzippin' your jeans touchin' your it's hard to explain. It's hard to restrain. I know we're in public but fuck it. Work in a little jerkin' then suck it. I'm almost certain you'll love it. Wreck to the i-t. 18 and older to ride, I'm checkin' for i-d. If your new in the sheets... just get naked and move to the beats. I'm into all sizes and lookin' for freaks.

(Hook - Teddy Montana)

Everybody move to the beat. Tonight we ain't gettin' no sleep. If you're hatin' you can lick a big ol' butt cheek. Wreck it lookin' for a slut to beat his meat. We hittin' the club all week. This ain't Dairy Queen, but we lookin' for a treat. Everybody move to the beat. Tonight we ain't gettin' no sleep. Everybody move to the beat. Tonight we ain't gettin' no sleep. If you're hatin' you can lick a big ol' butt cheek.

(Verse 2 - Wreck iT)

When you see us in the club show us lots of love. Ya'll all know where we're from... IA IA IA IA... I'm not much for dancin' just midnight romancin'. She's good with the head so I call her my aspirin. If you could only imagine. She wanna see what I'm packin'. Best believe me, she ain't laughin'. I'm pretty much a star minus the platinum. Look I'm nice. Sidney Crosby of rap, I'm good on ice. Precise with mics. Better holla at me, now that's some good advice. Two is better than one, so find a friend, and put it in your mouth like a vitamin. If at first you don't succeed, then try again and don't stop till I spit that Spiderman.

(Hook - Teddy Montana)

(Verse 3 - Wreck iT)

You can lick a big ol' butt cheek. Big ol' butt cheek. You can lick a big ol' butt cheek. What's your name? What's your sign? You know your on my mind from time to time. Girl you so fine I gotta make u mine. A shawty like you so hard to find.
