spoken]

Hey, baby.

You go your way, and I'll go mine.

But in the meantime...

[sung]

When we're together,

Touching each other,

And our bodies,

Do what we feel.

When we're dancing,

Smooching and swaying,

Tender love songs,

Softly playing,

Move closer.

Move your body real close until we,

Feel like we're really making love.

Ooh, move closer.

Move your body real close until we,

Feel like we're really making love.

So when I say, "Sugar,"

And I whisper, "I love you."

Well, I know you're gonna answer,
In the sweetest words, saying,
"My pretty lady, I love you too."
Well, there's much room for passion,
Ooh, no no, there's no room for fear.
When the love flows smoothly between us, baby,
My dear, move...
Move closer.
Move your body real close until we,
Feel like we're really making love.
Oh, oh, move closer.
Move your body real close until we,
Feel like we're really making love
