(It's only one more day)

Can you wait
My plane will be arriving shortly
Right there at the gate
(mmm-mmm-mmm, yeah)
I pray that you'll be waiting right there for me

This time could be what
We've both been searching for
Our whole lives waking up
And coming back for more

(Leave your baggage behind,
you won't need it tonight, enjoy your flight)

[Chorus]
J-E-T (J-E-T)
You are so good for me
(You are so good for me)
You are my jetstream lover
You're how I wanna be
(Just how I wanna be baby)

J-E-T (J-E-T)
You are so good for me
(You are so good for me)
You are my jetstream lover
You're how I wanna be
(Just how I wanna be baby)

We're so high
I'm watching all the clouds drift by below me
We should try
It's been so long since I made you cry
"Long-Live-Love"
I just can't get enough of you
I need that engines' push
It's gonna take me home to you

[Repeat Chorus]

You were meant to be...
(We will be dimming the lights for this evening's
entertainment)
Enjoy, enjoy, enjoy, enjoy...
...Home with me.

[Repeat Chorus]

You are so good for me (You are so good for me)
You are so good for me (Just how I wanna be baby)

But you're gone
(But you're gone)
Don't let it go
(Don't let it go)
If you don't try
(If you don't try)
How will you know?
(How will you know?)
