Lazy yellow moon comin' up tonite,

Shinin' thru the trees,

Crickets are singin' and lightning bugs

Are floatin on the breeze

Baby get ready.....

Across the field where the creek turns back by the ole
stump road

I'm gonna take you to a special place that nobody
knows

Baby get ready.....oooooooooooo

You and me going fishing in the dark,

Lying on our backs and counting the stars

Where the cool grass grows.

Down by the river in the full moon light,

We'll be fallin' in love in the middle of the night

Just movin' slow...

Stayin' the whole night thru, feels so good to be with
you...

Spring is almost over and the summer's come

And the days are gettin' long

Waited all winter for the time to be right, just to take
you along

Baby get ready.....

And it don't matter if we sit forever and the fish don't
bite

Jump in the river and cool ourselves from the heat of
the night

Baby get ready.....ooooooooooooo.

Repeat the chorus (x3)

You and me going fishin in the dark!
