Intro:

It's been four years since you walked out of my life,  
Wishing you'd come back someday.  
Now I'm tired of waiting.  
See after all these years,  
I still can't stop thinking about our moments together.  
I miss you honey (I miss you)  
Please come back to my world  
(come back home baby)

Verse one:

Have mercy oh my love  
I need you back in my world  
(I need you back in my world)  
No matter what I've done to you my love  
I'm ready to right all my wrongs my love  
And I promise never ever to make you cry...  
Cry ah ah ah ay!!

Chorus:

My baby I'm sorry  
I know I've done you wrong  
Baby I'm sorry  
I know I've treat you wrong  
Cos I'm on my knees  
N I'm begging you not to go oh oh!!  
(to go oh)  
Baby I'm sorry now,  
(I'm sorry)  
My baby I'm sorry now!  
(I'm so sorry)

Verse two

If you ain't leaving I ain't searching  
(if you ain't leaving I ain't searching)
