Crying on my pillow, lonely in my bed,
Then I heard a voice beside me and she softly said,
"Thunder is your night light, magic is your dream."
And then as I held her, she said, "See what I mean?"

I said, "What?" She said, "Ooh-ooh-ooh, whee."
I said, "All right!" She said, "Love me, love me, love
me!"

Chorus:

Undercover angel, midnight fantasy,
I never had a dream that made sweet love to me.
Undercover angel, answer to my prayer,
You made me know that there's a love for me out there.

Somewhere. Yeah, somewhere.

Heavenly surrender, sweet afterglow (undercover),
I'm giving up my heart to you, now angel don't go.
She said, "Go find the right one, love her and then
(undercover),
When you look into her eyes you'll see me again."

I said, "What?" She said, "Ooh-ooh-ooh, whee."
I said, "All right!" She said, "Love me, love me, love
me!"

Chorus

Somewhere. Whoa, somewhere.

Now you know my story, and girl, if it's right,
I'm gonna take you in my arms and love you tonight.
Underneath the covers, being so nice,
I'm looking for my angel in your sweet-loving eyes.

(undercover, undercover, undercover, etc.)

She said, "What?" I said, "Ooh-ooh-ooh, whee."

She said, "All right!" I said, "Get next to me."

She said, "What?" I said, "Ooh-ooh-ooh, whee."

She said, "All right!" I said, "Love me, love me, love

me!"

Undercover angel, midnight fantasy,
I've never had a dream that made sweet love to me.
Undercover angel, answer to my prayer,
You made me know that there's a love for me (you
made me).
Love me, love me, love me!
Undercover angel, midnight fantasy,
I've never had a dream that made sweet love to me.
