

## Absurd Conflict "Heroism"

Visit "[Heroism](#)" on MotoLyrics.com

I don't know who you are and what you can do  
I don't suspect how empty are your threats  
I don't even know the reasons that lead you to do this  
I know just one thing, that I can hope for your tolerance

I am old and powerless, so come and face me

Come, if you're bold enough, to rob an impuissant  
Come, if you consider it heroism, I'll put up no  
resistance  
You know that  
You know a poor man like me is helpless, without effort  
So come on hero

I will just look helplessly at your depravity

I will look at you resigned and dread the worst  
I am old and powerless - an easy prey for a cad like you  
Try to draw a knife or a gun hidden in your pocket

I can't fight back with my bare hands  
You know that, you know I'm fucking scared,  
On the verge of my breakdown

You criminal scumbag  
The cash you took me,  
Is a key to jail  
I hope, you'll see th e world  
From the other side of the bars  
I am old and powerless  
You know that and abuse it - to the end!
