[Omarion talking]

Damn

Can't believe this is happenin' to me

I guess it happens, right?

[Bow Wow]

Damn so this is how it's goin down

Me and you ain't talkin now

What about everything we been through

You just gon throw all this out

Think about the good times we done had

All the times that I made ya laugh

What about the times when I cheered ya up

When you was hurt and you was sad, yeah

[Omarion]

Seems like yesterday you was my women

Shoppin malls and holidays couldn't tell us nothin

Now you all up in my house with another brother

And I'm thinking to myself I'm about to kill this  
motherf...

And I said, girl I'm sorry

Even though I know it's late for apologies

Babe how could you do this to me

You were supposed to have my baby

[Chorus]

I'm tryna act like I don't wanna be with you (oohoooh)

Like I would be okay

If you just walked away

I'm tryna act like I don't wanna see you

Like you were just a face

I'll forget you in a couple of days

I'm tryna act like I can do without feeling on your booty

Find another ghetto cutie

To do me like you do me baby, yeah

But I'm just so addicted to you

I'ma try (oh) but I can't

Cause your all I'm tryna do

See ya here and there with your friends

And I start the frontin  
Act like I been doing my thing  
I don't need your loving  
But you see it in my eyes  
Girl ya want me back  
And I'd give anything just to have ya back  
That day ya got with my homey  
I don't know what to do, you confuse me  
Girl this is crazy, you're supposed to have my baby

[Chorus]

[Bow Wow]

Ya, I've done a lotta things wrong  
But I guess that's something I gotta live with  
If I could then I would turn back the hands of time  
Girl I woulda re-did this  
I guess that sayings true  
You don't know what ya got until it's gone  
Now I'm sittin here all alone  
Wishin that she'll come back home  
But she ain't comin back  
Homey ain't no cure for that  
I won't make it take so much to get that point  
She gone like that  
I'm tryna to be the best I can  
Tryna to be a better man  
Tryna to show that I can  
I'm tryna, I'm tryna, I'm tryna

[Chorus]
