The moon shines in full  
I see a flying raven  
So free, beautyfull

The horn has sounded as a voice of Thor  
He's called us to fight

[chours]  
Raven as Odin's dispatcher  
Saves us from defeat  
We went forward!!!  
Our army got mixed with the enemy  
Great chief Thorgisl  
Strikes out of confusion

Dance of death and destruction  
Every his step brings a new victim  
The enemies surrounded him  
I run to help  
On my way I killed three people  
I stood by his side  
Turned back upon ourselves

We're preparing to defence

Odin!!!

[repeat chours]

The standart must be ours  
We run in furious fight  
The standart must be ours  
We're close  
The standart is ours

Victory!!!

Thorgisl blows the flag  
Wastes of the christians run away in panic  
Some of us brought a head  
Of christian priest sticked on the spear  
Many of great soldiers wandered

Today to Vallhal  
They died in the glory  
The raven Odin's Witness!!!
