Im not your average type of girl  
I'm gonna show the world  
Ive a strength in me they sometimes cant see  
im about switch my style  
and soon things may get wild  
but i prove that i can conquer anything

so from my head to toe  
im takin full control  
Ill make it on my own this time

#### CHORUS

better watch going for the knock out  
an i wont stop till im on top now  
not gonna give up until i get whats mine  
better check that im about to x that  
and im hot now so you better step back  
Im taking over so watch me shine

so get ready here i come  
until job is done  
no time to risk theres nothin stoppin me  
oh you but dont hear me glow  
so now time to show  
and prove im gonna be best that i can be

so from my head to toe  
my mind body and soul  
im takin full control this time

#### CHORUS

but my mind and body are strong  
bet you dont think i can make it

#### CHORUS TILL END
