[Pastor Troy talking]

Yeah

What's up y'all

Aiyo man this song right here right

This shit crazy man

Grown folks situation

I'm talking about man there's something I went through

I had to cut my homeboy off man

[Verse 1]

We used to be down with each other like none other

Was closer than a friend to me, like a brother

But they say with money, comes the bitterness and
hate

So now why can't I deal with you, I'm straight

I'm thinking back on times before none of this really
mattered

When you was just my homeboy before I was the Pastor

But they say with money, man ya friends ain't ya
friends

It do something to 'em, even gotta watch ya kin

I'm pushing my Benz like it ain't even on my mind

You only live once and homeboy Imma shine

Prime time

And Imma keep making money killa

And keep it real with my real niggaz

[Lil Will & Pastor Troy: Chorus]

This is crazy (This is crazy)

I can't believe he (I can't believe he)

Was closer than a friend to me (Like a friend to me)

Like a brother (Like a brother mothafucker)

Now I can't believe (I can't believe)

And I thought that we were G's (We were G's)

Was the only thing you see (That you see)

Is all the cheese (And you want the cheese)

[Verse 2]

Best believe that bullshit didn't cut

And I can see the hate in your eyes I gives a fuck

A couple of bucks, done got you acting like a bitch

So just like I tell a bitch, suck this dick
I'm thinking back on times when a nigga used to chill
At the restaurant, we used to argue about the bill
Imma get the tab homey, you can get the tip
And then we jump off in our whips and we dip
But how them other days seem so far away
We used to be partners, we don't even parlay
You say what you say, but you and I know the truth
An eye for an eye, nigga tooth for a tooth
I'm up in the booth, in my own studio
And got more shit, why you acting like a ho
Nigga yo
I miss thangs how they was
But til you get your mind right, fuck you cuz

[Chorus 2x]
