[Verse 1: Shaun Linen]

Linen man winning man full of that purp  
Flash a couple dollars and she willing to twerk  
More than willing to work scribble a verse  
Sing the hymn take 'em to church  
God I really need a gig  
Until then I'm just giving work to the kids chea  
Potent I'm floating while blowin a cloud  
You heard me the loud pearl it profound  
I'm in her she moaning so loud  
Dip with out making a sound  
Billz already told you who be the talk of the town  
No matter the verb we're always the noun  
Sound travels quicker than my blunts burn out  
Or these lines churn out  
Gotta get it handle business  
Quicker than a ho turn out  
I'm usually what they whispering murmur 'bout

[Bridge]

Ain't this the type of shit you like vibe to when you roll  
up  
Ain't this the type of shit you pregame to before you  
turn up  
Ain't this the type of shit you like vibe to when you roll  
up  
Ain't this the type of shit you pregame to before you  
turn up

No peer pressure  
Inhale exhale
