I'll wait for him, because I know him.
Go there for him, go there first.
I'll wait for him, because I owe him.
Go there for him, because I must.
I'll wait for him, go there for him
I'll wait for him, go there first.
My place is nowhere, my name is cursed.
Before you come here, call friends and family first

(chorus)
There's a reason for this
I am I am I am
I'm crushed you saw this
I am I am I am
There's a reason for this
I am I am I am

Now no one lives here - not even dust
The ones swept through here, more crushed than us.
There's something in here, it's not just lust

If someone lives here, it's given liken first.

There's a reason for this
There's a reason for this
I am I am I am
I'm crushed you saw this
I am I am I am
There's a reason for this
I am I am I am

Seen all kinds of things here, I've heard things said
We wear no shoes here, we share no bread
I left my friends here, some things still dead and done
Before you come here call home instead

There's a reason for this
I am I am I am
I'm crushed you saw this
I am I am I am
There's a reason for this
I am I am I am
