???? almost every night  
???? still alright  
???? drive in show [gonna go to the drive....]  
???? gonna sit in the back ???? [gonna sit in the  
back of  
The passion row]

Tune in the soundtrack  
Turn down the lights  
A chance she won't and a chance she might  
Ain't no woman in the world I know

Who know what's going on

She ???? my prediction  
???? listen to me

Every man's got his price  
????

???? almost every night  
???? still alright  
???? drive in show

Turn down the lights  
Don't suppose there's a chance you might  
Ain't no woman in the world I know
