Riot on the Radio
Pictures on the TV
Invader man take what he can
Shoot out on the silver screen
Stickin' 'em up knockin' 'em down
Livin' out a fantasy
There's a bad man cruisin' around
In a big black limousine
Don't let it be wrong
Don't let it be right
Get in his way
You're dead in his sights
Big gun big gun
You're a number one
Big gun big gun
Kick the hell out of you

Terminators uzi-makers shootin' up
Hollywood
Snakes alive with a 45
Gettin' off and doing no good
If you ain't wise
They'll cannibalise
Tear the flesh off of you
Classified lady-killers

Prayin' in the human zoo
He'd saddle you up
And take you to town
Better look out
When he comes around

Big gun big gun
You're number one big gun
Big gun kick the hell out of you

Big gun big gun
Number one
Big gun big gun big gun
Got a number one
Big gun loaded and cocked
Big gun hot hot hot

Big gun ready or not
Big gun give it give it a shot
Terminator - uzi-maker
Regulator - gonna get you later
Big gun kick the hell
Out of you
