Well the devil may care,
You toss him back and be a man,
It's the last time,
Black ice,
End of it all, end of the line,
End of the road,
Black ice,
Black ice,

Come on and bleeding on the ground,
We're watching all the women go,
Many a mile I'll never take,
I run for forty miles and come up runnin' late,
Don't you know I live it down,
When the devil come a callin' I aint gonna be around,
Black ice,
Black ice,
Black ice,
The devil come a callin' I aint gonna be around,

Black ice,

Livin' long, livin' long,
Sleep all alone, you're gonna take it all,
And I'm gonna rip it out,
I'll kick, I creep crawl down your street,
I'll gouge your eyes out, yeah,
Black ice,
Black ice,
Black ice,
Black ice,

My life,
Black ice,
My life,
Black ice,
My life,
When the devil come a callin' I aint gonna be around,
I'll kick, I creep crawl down your street, and gouge
your eyes out,
Black ice
