Runnin' 'round with the wrong crowd  
Goin' out on a last stand  
Playin' too hard and too loud  
Bad cards in a bad hand  
Wanna dance, wanna sing  
Whip you with that lickin' thing  
Tonight I'm gonna kick up  
Out drivin' in a big truck  
And maybe I'll get beat up  
Caught with your pants down  
Caught with your pants down  
Caught with your pants down  
Caught with your pants down  
Lining up for a roll call  
Goin' out with a big bang  
Gettin' caught in a shootout  
Take it hard like a big man  
Woman workin' so hot  
Givin' it everything you've got  
Just like it's never gonna stop  
[Ooh] Tonight I'm gonna kick up  
Out drivin' in a big truck  
And maybe I'll get beat up  
Caught with your pants down  
Caught with your pants down  
Caught with your pants down  
Caught with your pants down  
[Yeah, yeah, yeah]  
She take 'em down down down  
[Ooh] She rip off her stockin's when the place started  
rockin'  
Down down down  
She was a woman with a mission stick it in your face  
Caught with your pants down  
Down down down down down  
Caught with your pants down  
Caught with your pants down  
[Caught with your pants down  
Yeah  
Rockin' with your pants down  
Caught me with my pants down  
I'm happy with my pants down

Caught you with your pants down  
Everybody caught you with your pants down  
Sneakin' in the alley with your pants down  
Bustin' in the room (?) with your pants down  
Ah (x17)  
Yeeeeeeeeeeeah, yeah ]
