We roll tonight
To the guitar bite

Stand up and be counted
For what you are about to
receive
We are the dealers
We'll give you everything you need
Hail hail to the good times
'Cause rock has got to ride
away
We ain't no legend, ain't no cause
We're just living for today

For those about to rock, we salute you

We rock it down on the front line
Like a bolt right out of the blue
The sky's alight with the guitar bite
Heads will roll and rock tonight

For those about to rock, we salute you

We're just a battery for hire with a guitar fire
Ready and aimed at you
Pick up your balls and load up your cannon
For a twenty-one gun salute

For those about to rock - fire
We salute you

Shoot, shoot

We salute you
