I've been around the world
I've seen a million girls
Ain't one of them god
Well my lady she's god
She stealin' the spotlight
Knocks me off my feet
She's enough to start a landslide
Just a walkin' down the street
Wearing dresses so tight
And looking dynamite
Enough to blow me around
No doubt about it can't live without it

Chorus:
The girl's got rhythm
The girl's got rhythm
She's got the backseat rhythm
The girl's got rhythm (aww)

She's like a lethal brand
Too much for any man
She gives me first degree
She really satisfies me
Love me till I'm lifeless

Aching and sore
Enough to stop a freight train
Or start the third world war
You know I'm losin' sleep
But I'm in too deep
Every body needs love
No doubt about it can't live without it

Chorus

You know she moves like sin
And when she lets me in
It's like liquid love
No doubt about it can't live without it

Chorus

You know she really got the rhythm
She's got the backseat rhythm
Rock 'n' roll rhythm
The girl's got rhythm
