I've been around the world  
I've seen a million girls  
Ain't one of them got  
What my lady she's got  
She steals the spotlight  
Knocks me off my feet  
She's enough to start a landslide  
Just by walkin' down the street  
Wearing dresses so tight  
And looking dynamite  
I want ????  
Nobody's got ????  
My girl's got rhythm  
My girl's got rhythm  
She's got the backseat rhythm  
Girls got rhythm  
She's like a legal (brand)  
Too much for any man  
????  
She really satisfies me  
Loving to the ????  
????  
Enough to start a ????  
Or start a third World War

????  
????  
????  
????  
My girl's got rhythm  
My girl's got rhythm  
She's got the backseat rhythm  
Girls got rhythm  
You know she ???? like sin  
I want you let me in  
Just wanna little makin' love  
????  
My girl's got rhythm  
My girl's got rhythm  
She's got the backseat rhythm  
Girls got rhythm  
You know she's really got rhythm

She's got the backseat rhythm  
Rock'n'roll rhythm  
Girls got rhythm
