Hey you -
Yeah you!
Ow!
Sometimes I think this woman is kinda hot
Sometimes I think this woman is sometimes not
Puts me down, fools me around
What's she doing to me?
Out for satisfaction, any piece of action
That ain't the way it should be
She needs love, knows other men
she's gotta see
Pours my beer, licks my ear
Brings out the devil in me

Hell ain't a bad place to be

Spends my money, drinks my booze,
stays out every night
And I got to thinking,
Hey, just a minute, something ain't right
Disillusions and confusion
Make me want to cry
All the same, you play your games

Tellin' me your lies
Don't mind her playing a demon
As long as it's with me
If this is hell then you could say
It's heavenly!

Hell ain't a bad place to be

Late at night turns down the lights
Closes up on me
Opens my heart, tears it apart
Brings out the devil in me

Hell ain't a bad place to be
I said Hell aint a bad place to be
Oh no, Hell aint a bad place to be
Singin Hell aint a bad place to be
Oh no!

Oh no!
