Hey you
Yeah you

Sometimes I think
This woman is kinda hot
Sometimes I think
This woman is sometimes not
Puts me down, fool me around
Why she do it to me
Out for satisfaction, any piece of action
That ain't the way it should be

She needs love, knows I'm the man
She's gotta see
Pours my beer, licks my ear
Brings out the devil in me
Hell ain't a bad place to be

Spends my money, drinks my booze
Stays out every night
And I got to thinking, hey, just a minute
Something ain't right
All the disillusion and confusion
Make me wanna to cry
Oh, the same, you're playin' your games
Tellin' me those lies

Don't mind her playing a demon
Long as it's with me
If this is hell then you could say
It's heavenly
Hell ain't a bad place to be

Then late at night, turns down the lights
Closes up on me
Opens my heart, tears it apart
Brings out the devil in me

Hell, ain't no bad place to be
I said hell, ain't no bad place to be
Hell, ain't no bad place to be
You know that hell, ain't no bad place to be
