Honey roll over, lettuce on
top
Strap you to the bed, and
make you rock
Run it up the flag, send it
on home
Push you to the wall, and
make you moan

She's mine, take what I want
Get what I need, don't take
it all
Don't you hide, gonna blow
my mind
Cmon taste it honey, cause
she feel fine

She turn it on, upside down
She turn me on, inside out
She turn it on, all around
She turn me on, she turn it
on

Baby bend over, touch your
toes
She take over, the bomb
explodes
A rockin rollercoaster,
flyin off the top
Take you high diving, off
the long drop

She's mine, take what I want
Get what I need, don't take
it all
Don't you hide, gonna blow
my mind
Cmon taste it honey, cause
she feel fine

She turn it on, upside down
She turn me on, inside out

She turn it on, all around
She turn me on, she turn it
on
