Black sheep and a renegade
Hot feet in the cool of the
shade
Street shuffle and a tough
childhoods
Examinations done no good
Tall bars and a hot wired
cars
Speed veems and cheap cigars
No rebellion, not today
I get my kicks in my own way
Right, OK

Just keep on breaking the
rules
Come on, get ready to rule

Tough breaks in the
neighbourhood
A hard case who's up to no
good
Living like trash, a society
rash
Ready to brain, ready to
gash

A bad deal and a real rough
ride
You're doing time on the
other side
No rebellion, not today
I get my kicks in my own way
Right, OK

Just keep on breaking the
rules
Come on, get ready to rule

(Tough breaks)

They got regulation ties

Regulation shoes
Those regulation fools
With their regulation rules

Just keep on breaking the
rules
Come on, get ready to rule

Oh take off your ties and
your regulation shoes
You're nothing but a bunch
of regulation fools
And you got your regulation
rules
I'm going to do things my
own way
Every day and every way
