In the beginning  
Back in nineteen fifty-five  
Man didn't know about a rock 'n' roll show  
And all that jive  
The white man had the smoltz  
The black man had the blues  
No one knew what they was gonna do  
But Tchaikovsky had the news  
He said -

Let there be sound  
there was sound  
Let there be light  
there was light  
Let there be drums  
there was drums  
Let there be guitar  
there was guitar  
Oh, Let there be rock

And it came to pass  
That rock 'n' roll was born  
All across the land every rockin' band

Was blowing up a storm  
And the guitarman got famous  
The businessman got rich  
And in every bar there was a super star  
With a seven year itch  
There were fifteen million fingers  
Learning how to play  
And you could hear the fingers picking  
And this is what they had to say  
Let there be light  
Sound  
Drums  
Guitar  
Let there be rock

One night in a club called "The Shaking Hand"  
There was a ninety-two decibel rocking band  
And the music was good and the music was loud

And the singer turned and he said to the crowd -  
Let there be rock
